## 500 Bay Hill Cir

**\$6,000,000**

Dakota Dunes, SD 57049

MLS#: 22307175

### Remarks

Avant-garde home in Dakota Dunes—a true work of art combining quality and luxury in construction, design, functionality, amenities & views. Details begin at the curb with a remarkable water feature offering an element of privacy to the heated driveway. The home sits on two lots & first impressions include copper gutters & slate roof. South east & west wings of the main floor each boast suites with full bathrooms. The main floor features an outdoor kitchen, temperature controlled wine room, cigar room, golf simulator & theater room. Take the elevator & continue entertaining upstairs with vaulted ceilings & three separate sitting areas all spilling out to terraces facing the water. The gourmet kitchen is a focal point on its own with two islands able to host a full culinary brigade. Start & end your days in the master suite with electric blinds, fireplace & private balcony. The closet features custom laundry conveyors. See attached feature sheet for all this home has to offer!
